INFORMATION DISCLOSURE STATEMENT

In compliance with the duty of disclosure set forth in 37 C.F.R. § 1.56, Applicants wish to bring the following items to the attention of the Examiner. A copy of each document is enclosed for the convenience of the Examiner.

No representation is made, and no representation is intended, that more relevant material does not exist, or that the order of presentation of this material in any way reflects

Serial No. 09/527,350

its relative pertinence. The references cited below are not intended to constitute an admission of any kind.

Specifically, this presentation is not an admission that the items listed below are properly citable against the above-identified application.

The following documents are cited in the specification of the above-identified patent application:

- (1) Wu et al., U.S. Patent No. 5,625,477, issued April 29, 1997;
